The ordinance authorizes the City to amend and restate its Master Bond Ordinance in order to provide for the incurrence of appropriation obligations related to the issuance of bonds by the Industrial Development Authority of the City of Kansas City, Missouri ("IDA"). The issuance by the IDA is for the purpose of financing a portion of the costs of the Terminal Modernization Project ("Project"). The bonds will also finance cost of issuance, a debt service reserve and capitalized interest proceeds.

Debt service will be paid, during construction of the project, by capitalized interest that was funded by bond proceeds. After completion of the Project, debt service will be paid from a senior annual appropriation of net revenues from the Kansas City Airport.

Bond proceeds in the amount of \$10,000 are estimated and appropriated in connection to this ordinance.

Does this Legislation expand the scope of current city services? No Yes

(Please detail estimate number of people to be served, who is delivering services currently to that population, service performance expectations, and if grant supported, provisions for support if grant support ends.

Is this legislation the result of a federal or state legislative mandate? No Yes

(If yes, please detail the purpose and source for that mandate).
