

RESOLUTION NO. 950669

Indicating to Jackson County, the City Council's recommendation of certain roads to be improved under the provisions of the Jackson County Urban Road System Agreement.

WHEREAS, Jackson County, Missouri, a constitutional home rule charter county, has entered into an agreement with Kansas City, Missouri, dated June 1, 1976, for the allocation and expenditure of special road and bridge taxes on the portion of the County Urban Road System of Jackson County, Missouri, within Kansas City; and

WHEREAS, Appendix A of the agreement listed various projects in an order heretofore agreed; and

WHEREAS, in paragraph seven of said agreement, the parties reserve the right to modify and update the said listing as required; and

WHEREAS, the City now wants to indicate to the County its recommendation on the listing and priority of future projects; NOW, THEREFORE,

BE IT RESOLVED BY THE COUNCIL OF KANSAS CITY:

Section 1. That the City recommends that current accumulated County Urban Road System and currently appropriated City funds be utilized to initiate construction of the Prospect (Grandview Road) Bridge over the Blue River in the 1995 construction season.

Section 2. That the City will make recommendations for revising Appendix A of the heretofore executed County Urban Road agreement of Jackson County relating to future projects in a separate future document.
