

ORDINANCE NO. 101033

Amending Chapter 10, Code of Ordinances, by amending Section 10-211, Number of retail alcoholic beverage licenses, which creates two additional area exemptions from density for retail sales-by-package licenses, and Section 10-215, Consents not required, which creates an additional area exempt from the consent requirement.

BE IT ORDAINED BY THE COUNCIL OF KANSAS CITY:

Section 1. That Chapter 10, Code of Ordinances of the City of Kansas City, Missouri, is hereby amended by repealing Section 10-211, Number of retail alcoholic beverage licenses, and enacting in lieu thereof a new section of like number and subject matter, to read as follows:

Sec. 10-211. Number of retail alcoholic beverage licenses.

The number of alcoholic beverage licenses issued by the director shall be limited on the following basis:

- (1) Retail sales-by-drink licenses. For those certain real properties that abut the right of way of Chouteau Traffic way from the intersection with the north right of way line of Northeast Parvin Road on the south to the intersection with the south right of way line of Russell Road on the north, two retail sale-by-drink licenses may be issued for population of zero to 1,500, and one additional sale-by-drink license may be issued for each additional 1,500 population which exceeds the first 1,500 population, contained within the entire boundaries of any United States census blocks located in the city, and which census blocks are located wholly within or intersected by a 3,000-foot radius from a proposed licensed premise, as measured from the center of the door to be used as the main entrance to the premise. For all other census blocks located in the city, one retail sales-by-drink license may be issued for population of zero to 1,500, and one additional retail sales-by-drink license may be issued for each additional 1,500 population which exceeds the first 1,500 population, contained within the entire boundaries of any United States census blocks located in the city, and which census blocks are located wholly within or intersected by a 3,000-foot radius from a proposed licensed premise, as measured from the center of the door to be used as the main entrance to the premise. For a premise that is currently in operation, the center of the door for the main entrance to the premise shall be determined by the entrance naturally used by the public frequenting the premise. The applicant shall furnish to the director two coordinates expressed in feet, based on the North American Datum 1983 Missouri West State Plane Coordinate System, identifying the center of the door for the main entrance to the premise. The limitations provided in this section shall not apply to:

ORDINANCE NO. 101033

- a. Retail sales-by-drink licenses issued to hotels, apartment hotels, motels, inns, lodges or similar places providing principally transient residential accommodations and having at least 40 rooms for overnight accommodation.
- b. Retail sales-by-drink licenses issued to restaurant premises where substantial quantities of food are served, as defined in this chapter. The licensee of restaurant premise granted a license under this subsection shall file with the director, on a form provided by him, a verified statement showing the total amount of gross receipts, the total amount of gross receipts from the sale of alcoholic beverages, and the total amount of gross receipts from the sale of prepared meals and food made and consumed on the premise for the 90-day period immediately following the date of the issuance of the license, and thereafter for the 12-month period immediately preceding November 1 of each year. The statements shall be filed within 15 days after the expiration of the 90-day period and with each annual renewal application. Upon proper and sufficient evidence submitted to the director, the director shall summarily cancel or refuse to renew the license upon the failure of the licensed premise for a period of one year after issuance or renewal of the license to maintain an average of 50 percent or more of its total gross receipts in sales of prepared meals and food made and consumed on the premise. Cancellation as provided in this subsection by the director of any license issued under this subsection shall not be deemed a revocation and shall not disqualify the licensee from applying for and receiving any license granted under the provisions of this chapter. The cancellation shall be appealable to the board in the manner set forth in section 10-62(b) of this chapter.
- c. Retail sales-by-drink licenses issued to theatres registered as nonprofit organizations where live performances are given on a regular basis.

States census blocks located in the city, and which census blocks are located wholly within or intersected by a 3,000-foot radius from a proposed licensed premise, as measured from the center of the door for the main entrance to the premise, all such city licenses existing at the time of the determination by the director, whether serving a suspension, under an order of nonrenewal, under an order of suspension or revocation, or under investigation for, subject to or charged with disqualification from holding a license or a violation of the provisions of this chapter, shall be included in the calculation unless the nonrenewal or revocation is final with all rights of appeal foreclosed.

- (4) If the total number of sales-by-drink or sales-by-package licenses herein issued at the time this chapter becomes effective exceeds the number authorized for that category of license, those licenses, if they meet all other requirements, shall be entitled to renewal on an annual basis. If a license is not renewed or ceases to fulfill all other requirements of this chapter and is thereafter terminated or canceled or expires, then an application for a new license for the previously licensed premise shall be required to fulfill all conditions of this chapter for an original license, including but not limited to the provisions of section 10-211 limiting the number of licenses. Additional licenses in a category shall not be issued until the time as the respective population ratios as calculated and determined under this section exceed the populations provided herein. A new license in a category, if the application meets all other requirements of this chapter, may be issued for a vacancy created by bona fide purchase or transfer of a license to a new premise located in a census block wholly within or intersected by a 3,000-foot radius from the existing licensed premise, as measured from the center of the door for the main entrance to the premise, so long as an application for a new license is filed within 12 months from the date of bona fide purchase or transfer. A licensee whose license has been surrendered, canceled or not renewed as a result of the transfer of the real property where the premise is located to an entity that has the power of eminent domain, and who files an application for a new license within 12 months from the date of the transfer of the real property shall be exempt from the requirements of this section with respect to a new location, but the licensee shall meet all other requirements of this chapter. For the purposes of this chapter, the center of the door for the main entrance to the premise shall be determined by the entrance naturally used by the public frequenting the establishment who shall furnish to the city two coordinates expressed in feet, based on the North American Datum 1983 Missouri West State Plane Coordinate System, identifying the center of the door for the main entrance to the premise.

Section 2. That Chapter 10, Code of Ordinances of the City of Kansas City, Missouri, is hereby amended by repealing Section 10-215, Consents not required, and

ORDINANCE NO. 101033
