Comments:

*RFM 10/19/2016-Black & McDonald has requested to substitute CCD Construction Services (MBE) originally listed to provide streetlight and traffic signal repair (electrical services) for American Legacy Construction Group, Inc. (MBE) to provide streetlight and traffic signal repair (electrical services). CCD Construction Services has gone out of business. The owner Ms. Cozart confirmed this to be true via email. The goals remain 15% MBE and 10% WBE.
