ii. a private placement, draw-down conduit bond or other debt instrument to be issued by Port KC for the Office Building Project, as requested by Developer, in the amount of Twenty-Seven Million Dollars (\$27,000,000), plus the costs of issuance, capitalized interest and reserve funds (the “**Series B Office Building Bond**”), the proceeds of which will be used to finance a portion of the costs to construct and complete the Office Building Project, and may be purchased by one or more third-party purchasers identified by Developer, with the input and consent of the City, on financial terms reasonably acceptable to the City; (together, the Series A Office Building Bond and the Series B Office Building Bond are hereinafter the “**Office Building Bonds**”). The Bond Closing Date for the Office Building Bonds shall be no more than 45 days after the date established by Developer and agreed to by Port KC, the City, and the qualified entity selected by Port KC and Developer to act as the trustee with respect to the Office Building Bonds (the “**Office Building Bond Trustee**”), as the date of the Bond Closing (the “**Projected Bond Closing Date**”), the request for which shall be given by Developer to City, Port KC, and the Office Building Bond Trustee, no fewer than 45 days prior to the Projected Bond Closing Date;

(b) Creation of AIM Zone. If it is not earlier established, on the Bond Closing Date for the Office Building Bonds, Port KC will establish an Advanced Industrial Manufacturing Zone, pursuant to Section 68.075, RSMo, as amended, upon the Office Building, Replatted Unit 3, the New Garage and Unit G (the “**Strata AIM Zone**”), for a term designated by Port KC which shall in no event end earlier than the later to occur of (i) the end of the term of the Office Building Bonds, or (ii) the 30<sup>th</sup> anniversary of the Bond Closing Date for the Office Building Bonds;

(c) Construction of Office Building Project. Developer will develop and construct the Office Building within Replatted Unit 3, in its capacity as a limited scope agent of Port KC, pursuant to and as and when required by the Port KC Office Development Agreement and all of the contracts and other documents required to close on the Office Building Bonds (the “**Office Building Bond Documents**”), utilizing the project fund established for the Office Building with proceeds derived from the sale of the Office Building Bonds. Developer will commence construction of the Office Building Project within two years and 180 days following the signing of the Office Building Bond Documents, which shall in no event be more than six (6) months following the date on which Developer, Port KC and City sign the Garage Bond Documents, if

the signing of the Garage Bond Documents precede the signing of the Office Building Bond Documents;

A covenant to this effect, along with covenants concerning collecting and reporting payroll tax revenue derived from the Strata AIM Zone (the **“Strata AIM Zone Revenue”**) and other reasonable requirements will be included in the lease to Developer and will be required of any successor or assignee thereof, and will be a covenant which runs with the land, all as more fully set forth in the **“Strata AIM Zone Declaration”** (as more fully described in Appendix A). As used herein, the term **“New Jobs”** means the full-time employees located at the Office Building Project and the Garage Project which exceed the base employment at the Office Building Project and the Garage Project prior to the date on which a notice of intent to create the AIM Zone is provided to the Missouri Department of Revenue, less any decrease in the number of full-time employees at related facilities below the related facility base employment, as more fully described and defined in RSMo 68.075.2(3). A memorandum of the Strata AIM Zone Declaration acceptable to Port KC, the City, and Developer shall be placed of record in the Office of the Recorder on the Bond Closing Date.

(f) Allocation of Office Building Project Costs. The costs of the Office Building Project will be paid from the proceeds of the Office Building Bonds issued by Port KC (and, if applicable, Developer’s capital). Each requisition certificate submitted to the Office Building Bond Trustee to pay Office Building Project costs shall be drawn-down: (i) 72% from the Series A Office Building Bond, and (ii) 28% from the Series B Office Building Bond; provided, however, when all proceeds of the Series B Office Building Bond have been applied to pay Office Building Project costs and no Series B Office Building Bond proceeds remain, the Office Building Project costs will be paid solely from the proceeds of the Series A Office Building Bond and by Developer.

(g) Repayment of Series A Office Building Bond. The Series A Office Building Bond, including debt service reserves and other financial obligations applicable to the Series A Office Building Bond while the Series A Office Building Bond is outstanding, all as set forth in the Office Building Bond Documents (collectively, the **“Series A Office Building Bond Debt Service”**) will be paid by Developer from funds of Developer and third-parties and the proceeds

of its subleasing of the Office Building Project, pursuant to the Office Building Master Lease Agreement.

(h) Repayment of Series B Office Building Bond; Draw-Down Covenant; Developer Allocation. The Series B Office Building Bond, including debt service reserves and other financial obligations applicable to the Series B Office Building Bond while the Series B Office Building Bond is outstanding (collectively, the “**Series B Office Building Bond Debt Service**”) will be paid by the City with 50% of the appropriation (the “**Earnings Tax Revenue Appropriation**”) of the tax on earnings and net profits (the “**Earnings Tax Revenue**”) the City anticipates it will derive from its levy on the Office Building Project, pursuant to Section 68-382 of the City Code”).

i. For the period commencing on the Bond Closing Date of the Office Building Bonds and ending twenty-two (22) years thereafter or such longer period as is necessary for City to collect all of the Earnings Tax Revenue generated at or from the Office Building and the Office Building Project during the Earnings Tax Revenue Allocation Period (the “**Office Building Earnings Tax Revenue**”) generated during such twenty-two (22) year period (the “**Earnings Tax Revenue Allocation Period**”), City will determine, in good faith, the amount of Office Building Earnings Tax Revenue City anticipates it will receive in the applicable fiscal year (the “**Earnings Tax Revenue Appropriation Estimate**”). A draft Earnings Tax Revenue Appropriation Estimate will be prepared by the City Treasurer, provided to Port KC and Developer, and submitted the City Council for approval. Such approval will be considered no more than 21 days following the expiration of the Quarterly Reporting Period during the Earnings Tax Revenue Allocation Period.

ii. Within 14 days following the final approval of the Earnings Tax Revenue Appropriation Estimate, the City agrees to appropriate the Earnings Tax Revenue Appropriation. Upon the City Council’s final approval of the Earnings Tax Revenue Appropriation, the City agrees to and will pledge, redirect, distribute and allocate: (a) 50% of the Earnings Tax Revenue Appropriation to the Office Building Bond Trustee (the “**City Earnings Tax Revenue Allocation**”), within 30 days following the final approval of the Earnings Tax Revenue Appropriation, for the Office Building Bond Trustee to pay the Series B Office Building Bond Debt Service and reduce the principal amount of the Series B Office Building Bond outstanding, and (b) to Developer the remaining 50% of the Earnings Tax Revenue Appropriation to Developer (each, a “**Developer Earnings Tax Revenue Allocation**”). Developer may use the Developer Earnings Tax Revenue Allocation at its discretion including, among other things, to pay Series A Office Building Bond Debt Service and the Developer Private Loan, subject, however to any rights to the Developer Earnings Tax Revenue Allocation of any lender or bond owner to whom Developer has pledged, or caused to be pledged, the Developer Earnings Tax Revenue Allocation.

iii. The City’s obligation to distribute the Developer Earnings Tax Revenue Allocation will be conditioned upon the following: (A) there being no material default of Developer under this Agreement, the Port KC Office Building Development Agreement or the Office Building Bond Documents at the time the Developer Earnings Tax Revenue Allocation would be due and payable to Developer; (B) Developer shall have expended an amount of the Series A Office Building Bond and/or Developer’s capital, the sum of which is 71% or more of

the then incurred costs of the Office Building Project; (C) Developer will have submitted to Port KC, for transmittal to the Office Building Bond Trustee, a project requisition certificate for each draw down from the Series B Office Building Bond, in accordance with the Office Bond Documents; (D) Port KC will have approved and validated, in accordance with the Port KC Office Bond Documents, that the expenditure set forth in each project requisition certificate is in furtherance of the Office Building Project, (E) Port KC will have authorized the Office Building Trustee to disburse the Series B Office Building Bond proceeds, solely in the amount of the applicable approved project requisition certificate; and (F) Developer's representation to the City that each project requisition certificate and draw-down from the Series B Office Building Bond made by Developer is limited to the amount of Series B Office Building Bond proceeds as are reasonable or customary to implement the Office Building Project.

(i) Statement of Actual Earnings Tax Revenue; Comment and Protest. Subsequent to disbursing the Earnings Tax Revenue Appropriation as provided above (and, if applicable, the Developer Earnings Tax Revenue Allocation), the City will prepare an Earnings Tax Revenue Statement. The City will provide a written summary (each, an **"Earnings Tax Revenue Statement"**) of the actual Office Building Earnings Tax Revenue received by the City in the applicable fiscal year of the City during the applicable Earnings Tax Revenue Allocation Period (the **"Earnings Tax Revenue (Actual)"**) to Developer no later than 30 days following the conclusion of the City's fiscal year or such later date upon which the actual Office Building Earnings Tax Revenue has been conclusively determined (**"Earnings Tax Revenue Statement Deadline"**). Developer will have 180 days following the date of Developer is provided the Earnings Tax Revenue Statement (the **"Earnings Tax Revenue Comment Period"**) in which to provide comments to or protest the Earnings Tax Revenue (Actual) set forth in the Earnings Tax Revenue Statement. In such event, the City and Developer will work in good faith, until the expiration of 30 days following the Earnings Tax Revenue Comment Period (the **"Earnings Tax Revenue Comment Response Period"**), to address and resolve Developer's comments or protests to the Earnings Tax Revenue (Actual) set forth in the Earnings Tax Revenue Statement.

(j) Reimbursements; Excess Earnings Taxes. Following the expiration of the Earnings Tax Revenue Comment Response Period, the City will retain the Earnings Tax Revenue (Actual), up to the amount of the City Earnings Tax Revenue Allocation, to reimburse itself, in whole or in part, for advancing the City Earnings Tax Revenue Allocation to the Office Building Bond Trustee, and advancing the Developer Earnings Tax Revenue Allocation to Developer, before the Earnings Tax Revenue (Actual) was available to pay the then due and owing Office Building Bond Debt Service and Developer Earnings Tax Revenue Allocation; provided, however, in the event the Earnings Tax Revenue Statement indicates the Earnings Tax Revenue (Actual) exceeds the Earnings Tax Revenue Appropriation (each, an **"Earnings Tax Revenue (Excess)"**), then, in such event, within 30 days following the expiration of the Earnings Tax Revenue Comment Response Period, the City will pay (a) 50% of the Earnings Tax Revenue (Excess) to the Office Building Bond Trustee, which the Office Building Bond Trustee will use to pay the Series B Office Building Bond Debt Service, and (b) 50% of the Earnings Tax Revenue (Excess) will be paid to Developer, which Developer may use at its discretion, including, but not limited to, pay Series A Office Building Bond Debt Service, the Developer Private Loan or for other purposes, subject, however to any rights to the Developer Earnings Tax

Revenue Allocation of any lender or bond owner to whom Developer has pledged, or caused to be pledged, the Developer Earnings Tax Revenue Allocation.

(k) Developer Distributions. Following the Bond Closing of the Office Building Bonds, Developer may periodically distribute money to a general or limited partner of Developer with proceeds which arise out of or are related to a financing, refinancing or excess funds of developer in connection with the Office Building Project (each, a **“Developer Distribution”**). Prior to making a Developer Distribution, Developer will pay amounts which are due and owing from Developer to Port KC and the Office Building Bond Trustee, if any, pursuant to the Port KC Office Development Agreement and the Office Building Bond Documents. Thereafter, Developer will pay to City an amount equal to twenty-eight percent (28%) of each Developer Distribution (the **“City Investment Return Payment”**); provided, however, the aggregate amount of all City Investment Return Payments shall be capped (the **“City Investment Return Payment Cap”**) in an amount not exceed the amount generated from the initial sale of the Series B Office Building Bond that is available to Developer to pay costs of the Office Building Project (the **“City Contribution”**) plus twenty percent (20%) per annum of the unpaid balance, not compounded, of the City Contribution from the date of the issuance of the Series B Office Building Bond until the earlier of (1) the date on which the City Contribution has been repaid in full, or (2) the date on which there occurs a **“Developer Disposition”** (as such term is defined in Appendix A). Any Developer Distribution remaining after paying the City Investment Return Payment will, subject to the City Investment Return Payment Cap, be retained by Developer or a party designated by Developer. Any Developer Disposition shall be subject to the terms, requirements, and limitations on assignment and sale set forth in the Office Building Bond Documents.

(l) Priority Developer Return. If Developer receives monies from a general or limited partner of Developer after the Bond Closing of the Office Building Bonds (**“Developer Additional Capital”**) and spends such Developer Additional Capital on costs related to the Office Building Project, Developer will have a priority right to receive the proceeds of a Developer Distribution to repay such Developer Additional Capital, prior to making a City Investment Return Payment.

(m) City Guaranty of Series B Deficiency. As and when due pursuant to a notice delivered by the Office Building Bond Trustee to the City delivered within thirty (30) days following the anniversary of the Bond Closing Date for each year during the term of the Office Building Bonds, the City will pay the Office Building Bond Trustee any Series B Office Building Bond Debt Service deficiency.

**Section 2.02 The New Garage Transaction.** The following sets out the parties’ agreement regarding the structure of the transactions relative to the New Garage:

(a) Garage Bond Issuance. Port KC will issue a private placement, draw-down bond or other debt instrument, as requested by Developer and approved by the Board of Commissioners of Port KC, in the approximate amount of Thirty-Six Million Dollars (\$36,000,000), plus the costs of issuance and the amount of capitalized interest and reserve funds, the proceeds of which are to be used to finance the cost to construct and complete the

Garage Project (the “**Garage Bond**”). The Garage Bond will be marketed for sale to one or more third-party purchasers identified by Developer and acceptable to Port KC;

(b) Title Transfer. Fee simple title to undeveloped Unit G will be transferred to Port KC by the City, HRB or Developer (as directed by Developer), on the Bond Closing Date for the Garage Bond;

(c) Construction of Garage Project. Developer will develop and construct the Garage Project, in its capacity as a limited scope agent of Port KC, pursuant to the Port KC Garage Development Agreement and all of the contracts and other documents required to close on the Garage Bond (the “**Garage Bond Documents**”), utilizing the project fund established with proceeds derived from the sale of the Garage Bond. Developer will commence construction of the Garage Project within two years and 180 days following the signing of the Garage Bond Documents, which shall in no event be more than six (6) months following the date on which Developer, City and Port KC sign the Office Building Bond Documents, if the signing of the Office Building Bond Documents precede the signing of the Garage Bond Documents;

(d) Use and Leasing of Garage Project. Upon completion thereof, Developer and its successors and assigns will manage and operate the New Garage and Unit G pursuant to a management agreement with Port KC (the “**Garage Management Agreement**”). The Garage Management Agreement will be for a term that will commence upon the Bond Closing Date for the Garage Bond and continue until the maturity date or earlier cancellation of the Garage Bond, subject to earlier termination as provided in the Garage Management Agreement;

(e) Creation of AIM Zone. If not earlier established, Port KC will establish the Strata AIM Zone over Unit G, pursuant to Section 68.075, RSMo, as amended, on the Bond Closing Date of the Garage Bond;

(f) New Jobs Commitment. Developer will exercise commercially reasonable good faith efforts to cause the New Garage to generate New Jobs. A covenant to this effect, along with covenants concerning collecting and reporting Strata AIM Zone Revenue and other requirements will be included in the Garage Management Agreement with Developer and will be required of any successor or assignee thereof, and will be a covenant which runs with Unit 3 in the recorded Strata AIM Zone Declaration when Port KC obtains title to Unit G from Developer, HRB, or the City, as applicable;

(g) Use of AIM Zone Revenue. The Strata AIM Zone Revenue will be collected annually by the Missouri Department of Revenue. Subject to the Port KC’s receipt of a disbursement of Strata AIM Zone Revenue from the “Port Authority AIM Zone Fund” (as such term is defined in RSMo 68.075.5) (each, a “**Strata AIM Zone Disbursement**”), and consistent with Port KC policies and all applicable provisions of all constitutions, treaties, statutes, laws (including, but not limited to, the common law), rules, regulations, ordinances, codes or orders of any government, and all unappealable orders, decisions, injunctions, judgments, awards and decrees of any court with jurisdiction over the parties (each and collectively, “**Applicable Law**”), Port KC will deposit the Strata AIM Disbursement with the qualified entity selected by Port KC and Developer to act as the trustee with respect to the Garage Bond (the “**Garage Bond Trustee**”). The Garage Bond Trustee will use the Strata AIM Zone Revenue included in the

Strata AIM Zone Disbursement to pay, in the following sequence: (i) debt service then due and owing on the Garage Bond; and (ii) any and all Garage Bond reserve account requirements and other Garage Bond requirements established under the Garage Bond Documents (together, the **“Garage Bond Debt Service”**);

(h) AIM Zone Deficiency and Surplus. If, after the Garage Bond Trustee makes the Strata AIM Zone Disbursement in accordance with Section 2.02(g) above:

i. there is a surplus of Strata AIM Zone Revenue not needed for Garage Bond Debt Service (a **“Strata AIM Zone Revenue Surplus”**), then 50% of the Strata AIM Zone Revenue Surplus will be placed in or added to the Garage Bond reserve account to pay future Garage Bond Debt Service (notwithstanding lesser reserve account requirements set forth in the Garage Bond Documents), and 50% will be deposited by the Garage Bond Trustee into an account established pursuant to the Garage Bond Documents for the purposes of paying (a) the capital maintenance costs and liabilities related to the New Garage which accrue and are the liability of Port KC, following the maturity or earlier expiration of the Garage Bond and (b) or costs arising from or related the New Garage which are due and owing pursuant to the Second Condominium Declaration Amendment (the **“New Garage Maintenance Reserve Fund”**).

Within fifteen (15) days following its receipt of an AIM Zone Deficiency Notice, City will pay the Strata AIM Zone Revenue Deficiency to the Garage Bond Trustee, in an amount equal to the Strata AIM Zone Revenue Deficiency set forth in the AIM Zone Deficiency Notice.

(i) Developer’s Efforts. City will provide Developer a copy of City’s Strata AIM Zone Revenue Deficiency Notice within seven (7) days of City’s receipt thereof. Within 30 days following its receipt of the Strata AIM Zone Revenue Deficiency Notice, Developer will provide documentary evidence to City to demonstrate Developer has exercised reasonable good faith efforts to cause the Office Building and the New Garage to continuously generate New Jobs, to the extent reasonably practicable. Developer’s “commercially reasonable good faith efforts” shall be predicated upon, among other things, (i) then applicable market conditions; (ii) Developer’s demonstrated efforts to lease the Office Building to one or more lessees capable of producing a sufficient number of New Jobs during any given period for which New Jobs are determined in support of a Strata AIM Zone Disbursement (the **“Strata AIM Zone Reporting Period”**) while the Garage Bond is outstanding; (iii) Developer’s continuous engagement of a Missouri licensed real estate broker; (iv) the actual New Jobs included in the report produced by the Missouri Department of Revenue in connection with its disbursement of payroll taxes to Port KC from the Port Authority AIM Zone Fund (as such term is defined in RSMo 68.075.5 (each, a **“Strata AIM Zone Report”**)) for the applicable Strata AIM Zone Reporting Period compared to the Strata AIM Zone New Jobs Projections prepared by Developer and set forth on Exhibit C (taking into consideration changes in conditions and circumstances since the Effective Date of this Agreement); and (v) such other criteria as may be determined as mutually acceptable to City and Developer, from time to time; provided, however, notwithstanding anything to the contrary,

the parties agree that Developer will not be responsible for, and no negative conclusion shall be made or supported by, tenants or other occupants of Developer not hiring people and/or firing people, terminating jobs, restructuring workforce and/or positions, hiring people who do not meet the AIM Zone criteria and/or other similar factors.

(j) City Determination of Developer's Efforts. Within 14 days after City receives Developer's documentary evidence of Developer's commercially reasonable good faith efforts, the City will make a written reasonable determination of Developer's commercially good faith efforts to generate New Jobs in the Strata AIM Zone upon the conclusion of the applicable Strata AIM Zone Reporting Period (each, a "**Strata AIM Zone Effort Determination**"), which Strata AIM Zone Effort Determination shall set forth, with particularity, the basis of the City's determination, in good faith, but if City does not make such Strata AIM Zone Effort Determination within such 14 days after receipt by City of Developer's documentary evidence, City shall be estopped and prohibited from alleging or pursuing a Strata AIM Zone Revenue Deficiency and/or a reimbursement or payment of any such Strata AIM Zone Revenue Deficiency. (m) Repayment of Garage Bond; Draw-Down Covenant. The Garage Bond Debt Service resulting from Developer's draw-down of the Garage Bond (on behalf of Port KC) will be paid by City from (i) Strata AIM Zone Revenue, and (ii) Earnings Tax Revenue generated from the operation of the Garage Project; and (iii) subject to annual appropriation, an amount sufficient to pay the remaining and then due and owing Garage Bond Debt Service. (b) Distribution of Monthly Parking Garage Revenue; Excess. The Garage Management Agreement shall require, among other things, that within 30 days following the expiration of the applicable year during the Garage Revenue Commitment Term, Developer will pay the Monthly Modified Parking Garage Revenue received during the immediately expiring year of the Garage Revenue Commitment Term (the “**Monthly Modified Garage Revenue Payment**”) to the Garage Bond Trustee. Upon receipt thereof, pursuant to the Garage Bond Transaction Documents, the Garage Bond Trustee will apply the Monthly Modified Garage Revenue Payment to Garage Bond Debt Service. Each Monthly Modified Garage Revenue Payment will be accompanied by the applicable Garage Revenue Notice, and provided concurrently to the Garage Bond Trustee, Port KC and City. In the event the Monthly Modified Parking Garage Revenue exceeds the then due and owing Garage Bond Debt Service (the

“**Garage Revenue Surplus**”), the Garage Bond Trustee will be directed by Port KC to deposit the Garage Revenue Surplus into the New Garage Maintenance Reserve Fund.

(c) Distribution of General Parking Garage Revenue. Contemporaneously with its distribution of a Garage Revenue Payment of the Monthly Modified Parking Garage Revenue to the Garage Bond Trustee (or within 30 days following the expiration of the applicable year during the Garage Revenue Commitment Term, if there is no Garage Revenue Payment of Monthly Modified Parking Garage Revenue), Developer will distribute all of the General Parking Garage Revenue and Monthly Parking Garage Revenue that is not Monthly Modified Parking Garage Revenue received during the immediately expiring year of the Garage Revenue Commitment Term: (i) one-third to the City (the “**City Parking Revenue Payment**”), (ii) one-third to Port KC (the “**Port KC Parking Revenue Payment**”), and (iii) the remaining one-third will be distributed to or retained by Developer, for its own account (the “**Developer Parking Revenue Payment**”). Garage Revenue derived from Developer Occupants entering the New Garage after Free Parking Hours shall constitute General Parking Garage Revenue.

(e) Application of Surplus Earnings Tax Revenue. City agrees that any Earnings Tax Revenue generated from the operation of the Garage Project will be timely paid to the Garage Bond Trustee, to apply to the Garage Bond Debt Service. If, pursuant to the Garage Bond Documents, such Earnings Tax Revenue is determined by the Garage Trustee to not be needed to pay Garage Bond Debt Service (written notice of which will be provided by the Garage Bond Trustee to City and Port KC), the Garage Bond Trustee will deposit such surplus into the New Garage Maintenance Reserve Fund.

(f) Garage Revenue Deficiency. If, following the conclusion of the applicable year during the Garage Revenue Commitment Term, (a) the Garage Revenue Payment and the Earnings Tax Revenue generated by the Garage Project and paid to the Garage Bond Trustee by Developer, and (b) the Strata AIM Zone Revenue Payment made by Port KC to the Garage Bond Trustee, together, are insufficient to pay the then due and owing Garage Bond Debt Service (the “**Garage Revenue Deficiency**”), the Garage Bond Transaction Documents will require the Garage Bond Trustee to notify Port KC, City and Developer of such Garage Revenue Deficiency (each, a “**Garage Revenue Deficiency Notice**”). In the event of such Garage Revenue

Deficiency, City agrees to and will tender to the Garage Bond Trustee an amount equal to the Garage Revenue Deficiency identified in the Garage Revenue Deficiency Notice (the “**Garage Revenue Guaranty Payment**”) within 30 days following the date on which the Garage Revenue Deficiency Notice is provided by the Garage Bond Trustee to Port KC, City and Developer (the “**Garage Revenue Guaranty**”). City may pay the Garage Revenue Deficiency, in whole or in part, with portions of the City Investment Return Payment, if any, then due and owing to City by Developer. In such event, City will direct Developer, in writing, to distribute all or a portion of the City Investment Return Payment to the Garage Bond Trustee, to apply toward such Garage Revenue Deficiency.

(g) Garage Revenue Dispute. If either Port KC or City dispute all or any portion of the Garage Revenue Payment, City Parking Revenue Payment, Port KC Parking Revenue Payment, Developer Parking Garage Revenue Payment (each, a “**Revenue Payment**”) or the content set forth in the Garage Revenue Notice (each and together, a “**Disputing Party**”), the Disputing Party shall notify Developer, in writing, within fifteen (15) days following receipt of the Garage Revenue Notice (the “**Dispute Notice**”). The Dispute Notice must set forth a basis for the dispute with sufficient detail so as to allow Developer to properly respond to the Dispute Notice, which Developer shall do in good faith, using commercially reasonable efforts. The Disputing Party agrees to act in good faith in contesting a Revenue Payment or Garage Revenue Notice. If a Disputing Party timely contests the Revenue Payment or Garage Revenue Notice and the contest is not resolved by within ten (10) days following the date of the Dispute Notice, the “**City Designated Representative**” (as such term is defined in Appendix A), the “**Port KC Designated Representative**” (as such term is defined in Appendix A), and Developer will meet within fourteen (14) business days after the date of the Dispute Notice (or such later date as may be mutually acceptable to the parties) to resolve the Revenue Payment or Garage Revenue Notice which is the subject of the dispute, working in good faith and with reasonable dispatch. In the event the disputed Revenue Payment or Garage Revenue Notice is resolved in favor of the Disputing Party, the non-Disputing Party will have five (5) business days after resolution of a dispute to pay the Disputing Party the Revenue Payment, as the same may be modified following resolution of the dispute, and if the non-Disputing Party is Developer and the disputed matter which is the subject of the Dispute Notice is resolved in favor of Developer, the Disputing Party shall have 5 business days to refund to Developer any amounts the parties determined by the resolution.
