Ordinance Fact Sheet

Amendment Form

Brief Title	Approval Deadline	Reason
		To authorize execution of Base Contract
Municipal Service Center (MSC) Fuel Station		to Construction Contract

Details

Reason for Contract

Authorizing a contract with Gunter Construction for \$1,464,269.50 for the replacement of current fueling station at Municipal Service Center at 5300 Municipal Avenue.

Contract Summary Project Justification

The Architecture Division, Fleet Division of General Service Department have completed the design of the new fueling service station at the Municipal Service Center location. The project was bid to contractors and we are now ready to replace a fueling system that has passed its operating life.

Project Description

Removal of existing fueling tanks, dispensers, piping, electrical, surface paving. Install all new equipment to provide a safe and functional fueling station.
