

RESOLUTION NO. 180320

Honoring the life and many contributions of Teresa Ann (“Teri”) Rogers.

WHEREAS, Teri was a daughter of Wichita, Kansas and graduate of the University of Kansas, but her impact in Kansas City, Missouri and throughout our nation has been felt for decades and continues to inspire scores of women, small businesses, entrepreneurs, and creative professionals; and

WHEREAS, since 1998, Teri has served a leading role in the firm now known as Hint, which from its headquarters in Kansas City’s Crossroads Arts District, is a national leader in digital storytelling, offering to companies production, motion design, multidimensional character animation, and interactive design; and

WHEREAS, her success at her firm and her vision led to numerous accolades from national and local quarters, including the United States Small Business Administration, the Greater Kansas City Chamber of Commerce, our Economic Development Corporation, and the Downtown Council of Kansas City; and

WHEREAS, Teri gave her heart not only to her business, but also to our community, volunteering her time to the Crossroads Community Association, the Kansas City Streetcar Authority, the Arts Council of Kansas City, the Economic Development Corporation, the Kansas City Film Commission, and the Missouri Motion Media Association; and

WHEREAS, among her greatest successes were the children she raised in Kansas City, Marissa and Richard, and the love she shared with her husband, Martin; NOW, THEREFORE,

BE IT RESOLVED BY THE COUNCIL OF KANAS CITY:

That the Mayor and Council hereby honor the life and contributions of Teresa Ann Rogers for her exemplary service, philanthropy and leadership to the City of Kansas City, Missouri and its residents; and

BE IT FURTHER RESOLVED, that this Resolution be spread upon the Minutes of the Council in testimony thereof, and that a copy hereof be presented to the family of Ms. Rogers in token of the appreciation of the Mayor and Council for her many years of dedicated service to our community and in recognition of the profound impact she had on our community.
