

RESOLUTION NO. 140383

Establishing the City's project priorities for potential new state transportation revenues in Missouri.

WHEREAS, the City has been asked to engage in a process by the Mid-America Regional Council to identify project priorities for potential new state transportation revenues in Missouri; NOW, THEREFORE,

BE IT RESOLVED BY THE COUNCIL OF KANSAS CITY:

Section 1. That the City's project priorities for potential new state transportation revenues in Missouri are as follows:

Priority 1: Projects that meaningfully and proportionally address known dangerous conditions.

Priority 2: Projects that promote transportation alternatives.

Priority 3: Projects that keep the existing transportation system in a state of good repair.
